2. This Declaration is also submitted as the statement required pursuant to sections 328(a) and 504 of the Bankruptcy Code and Rule 2014(a) of the Bankruptcy Rules.

**Houlihan Lokey's Disinterestedness**

3. From time to time, Houlihan Lokey's Financial Restructuring Group, which is providing the services in this case, has provided services and likely will continue to provide services to certain attorneys, other professionals, creditors (including lenders) and/or security holders of the Debtors and various other parties, some of whom may be providing services to or may be adverse to or may be otherwise connected to the Debtors, in matters unrelated to these chapter 11 cases.

4. In addition to its Financial Restructuring Group, Houlihan Lokey and the other subsidiaries of its direct parent company, Houlihan Lokey, Inc., that are engaged in providing investment banking and financial advisory services globally (collectively, the "Houlihan Lokey Group") provide services to a wide range of institutions and individuals and, in the past, may have had and currently may have or, in the future, may have financial advisory or other investment banking or consulting relationships with parties that may have interests with respect to the Debtors. In the ordinary course of business, investment funds affiliated with the Houlihan Lokey Group and certain of the Houlihan Lokey Group's employees, as well as investment funds in which such employees may have financial interests in, but over whose investment decisions such employees have no input or control, may acquire, hold, or sell long or short positions or trade or otherwise effect transactions in debt, equity, and other securities and financial instruments (including bank loans and other obligations) of or investments in the Debtors or other parties that may have an interest in these chapter 11 cases or have other relationships with such parties. All rights with

respect to any such securities, financial instruments, and/or investments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion. Moreover, the Houlihan Lokey employees who are working on these chapter 11 cases are subject to compliance mechanisms and policies and procedures designed to prevent confidential, non-public information from being improperly shared.

5. The Houlihan Lokey Group's Hedge Fund and Derivatives Valuation Services Group provides valuation opinions on the securities and derivative holdings of various business development companies, private equity firms, and hedge funds, which may include debt securities of the Debtors. This work is unrelated to the financial advisory and investment banking services that Houlihan Lokey intends to provide in these chapter 11 cases. Moreover, the Houlihan Lokey Group, through the establishment of an "Information Wall" has separated its employees in the Hedge Fund and Derivatives Valuation Services Group from the rest of the employees of the Houlihan Lokey Group. This "Information Wall" includes physical and technological barriers, compliance mechanisms, and policies and procedures designed to prevent confidential, non-public information and work product from being shared improperly.

6. In the ordinary course of its business, Houlihan Lokey from time to time discusses issues concerning stressed and distressed companies with creditors and prospective creditors that are clients of the firm or that otherwise contact Houlihan Lokey or that are referred to the firm in light of Houlihan Lokey's reputation for covering such companies and/or relevant industry expertise. At the time of those contacts, it is not known whether any particular company will actually file for bankruptcy or if any of these creditors and/or potential creditors will serve on any future committee or even be a creditor of the relevant estate in the event of a future bankruptcy.

7. Houlihan Lokey personnel may have business associations with certain creditors of the Debtors or counsel or other professionals involved in these chapter 11 cases on matters unrelated to these chapter 11 cases. In addition, in the ordinary course of its business, Houlihan Lokey may engage counsel or other professionals in unrelated matters who now represent or, in the future, may represent creditors or other interested parties in these chapter 11 cases.

8. To determine its relationship with parties in interest in these chapter 11 cases, Houlihan Lokey has researched the client databases maintained with respect to the Houlihan Lokey Group to determine whether it has any relationships with the entities (individually, an "Interested Party" and, collectively, the "Interested Parties") that were identified to Houlihan Lokey by the Debtors and which are listed on Annex 2 hereto. Categories in which such entities fall include:

- a. Debtor Affiliates;
- b. Known Shareholders;
- c. Issuers of Surety Bonds;
- d. Contract Counterparties;
- e. Landlords;
- f. Indentured Trustees
- g. Insurers;
- h. Litigation Parties;
- i. Professionals;
- j. Utilities;
- k. Taxing Authorities; and
- l. Top Unsecured Creditors.

9. The attached Annex 3 details the relationship check performed by Houlihan Lokey, and identifies any relationships discovered through such investigation that members of the

Houlihan Lokey Group have with any Interested Parties in these chapter 11 cases. All such relationships disclosed on Annex 3 pertain to matters unrelated to the Debtors or their estates, and Houlihan Lokey will not represent such parties listed on Annex 3 in these bankruptcy proceedings.

10. It was discovered after the filing that two Directors of Houlihan Lokey Inc., Robert Schriesheim and Paul Zuber, serve, respectively, on the boards of First Advantage Corp and Dynatrace. These directors have not been, are not currently, and will not in the future be involved in Houlihan Lokey's services related to the Debtors, and do not have access to Houlihan Lokey's work files relating to the Debtors. Neither of these companies appear to be critical to the Debtors' operations, nor do they appear to have material claims against the Debtors. During Houlihan Lokey's two and a half years of involvement with the Debtors, there has been no contact with either of these companies by Houlihan Lokey.

11. To the best of my knowledge, information and belief after reasonable inquiry, other than as disclosed in this Declaration, neither I, the Houlihan Lokey Group, nor any of our professionals or employees participating in or connected with Houlihan Lokey's engagement with the Debtors: (a) has any connection with or holds or represents any interest adverse to the Debtors, their estates, their creditors, or any other Interested Party or their respective attorneys in the matters on which Houlihan Lokey is proposed to be retained; or (b) has advised any Interested Party in connection with these chapter 11 cases. In addition, Houlihan Lokey does not believe that any relationship that the Houlihan Lokey Group or any of our professionals or employees participating in or connected with Houlihan Lokey's engagement with the Debtors may have with any Interested Party in connection with any unrelated matter will interfere with or impair Houlihan Lokey's representation of the Debtors in these chapter 11 cases.

12. In addition, to the best of my knowledge, information, and belief and in accordance with Bankruptcy Rule 5002, neither I, nor or any of our professionals or employees participating in or connected with Houlihan Lokey's engagement with the Debtors is a relative of the United States Bankruptcy Judge assigned to these chapter 11 cases, and Houlihan Lokey does not have a connection with the United States Bankruptcy Judge that would render its retention in these cases improper. Further, to the best of my knowledge, information, and belief and in accordance with Bankruptcy Rule 2014, Houlihan Lokey does not have any connection with the Office of the U.S. Trustee or any persons employed by the U.S. Trustee.

13. To the extent Houlihan Lokey discovers any facts bearing on the matters described herein during the period of Houlihan Lokey's retention, Houlihan Lokey undertakes to amend and supplement the information contained in this Declaration to disclose such facts.

14. Based on all of the foregoing, Houlihan Lokey is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code.

15. No agreement or understanding presently exists to share with any other person or firm any compensation received by Houlihan Lokey for its services in these cases. If any such agreement is entered into, Houlihan Lokey undertakes to amend and supplement this Declaration to disclose the terms of any such agreement.

16. No promises have been received by Houlihan Lokey or by any employee thereof as to compensation in connection with these cases other than in accordance with the provisions of the Bankruptcy Code.

#### Indemnification

17. The Engagement Agreement includes a provision for the indemnification of Houlihan Lokey by the Debtors. I believe that the indemnification provision in the Engagement Agreement is generally consistent in all material respects with the indemnification provision

contained in Houlihan Lokey's standard engagement letter for both in- and out-of-court investment banking services (including sell- and buy-side mergers and acquisitions advisory services). Further, similar indemnification arrangements have been approved by courts as part of Houlihan Lokey's retention in other bankruptcy matters.

18. The indemnification provisions contained in the Engagement Agreement are important and necessary to limit the exposure of advisors to potential future liability for decisions made based on all material information reasonably available. Further, to the best of my knowledge, such indemnification provisions are consistent with the marketplace. I believe that the indemnification provisions contained in the Engagement Agreement are appropriate and reasonable for the engagement of Houlihan Lokey as financial advisor and investment banker in these chapter 11 cases.

**Compliance With Bankruptcy Code and Bankruptcy Rules**

19. I am generally familiar with the Bankruptcy Code and the Bankruptcy Rules, and Houlihan Lokey will comply with them, subject to the orders of this Court.

20. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
